## SHOP • DINE • PLAY • LOCAL

Keep dollars local Shopping local keeps money local longer, enRICHing the whole community.

For every \$100 spent at a locally-owned business, nearly half goes back into the community AND our tax base.

Keep our streets clean.  
Adopt-A-Street! Beautify your block!

Take Pride. Living in a clean environment improves self-image, is healthier, less stressful, and so much more pleasant. Get together with neighbors, DIY or volunteer, and keep it clean.

Beautify Your Property. Plant flowers & trees, weed, trim, cut and edge your lawn.

Greener, well-maintained surroundings look beautiful and help reduce pollution.

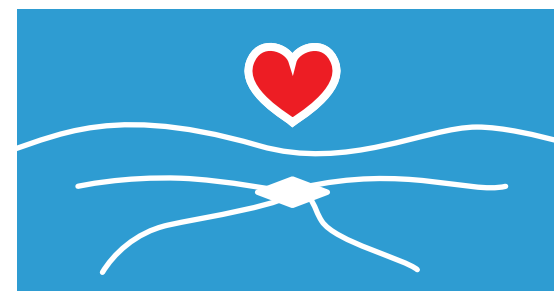

Yard work helps keep us fit and healthy too!

Keep a Positive Attitude.  
A smile and a kind word can make a big difference in someone's day, including your own.

You Have Ideas about how things should be! Share them and start your own initiative. Call Town or County offices to find out how you can help.
